

PRESS RELEASE: FOR IMMEDIATE RELEASE

8th January 2014

CONTINUED SUCCESS FOR ARDEN GRANGE

Super-premium pet food company Arden Grange has received two 'highly commended' Your Dog Magazine awards. Arden Grange received the awards in the Best Dry Dog Food and the Specialist Dog Food categories.

Wendy Stephens, Arden Grange co-founder comments "We are thrilled to accept these two awards. We are particularly pleased to receive the highly commended accolade for our Sensitive dry dog food as it has helped many dogs with dietary allergies. We are an independent, family run business and to receive these national awards is a great achievement. I would like to thank our faithful customers for voting for Arden Grange in these categories."

Ness Bird RVN, animal nutrition advisor notes "The 'Sensitive with ocean white fish & potato' diet is a fantastic example of the Arden Grange standard. It is a grain-free food ideally suited for dogs with a delicate digestion and/or sensitive skin. The recipe is supportive to the digestion and immune systems - so even a sensitive animal can achieve optimal health and vitality."

The Arden Grange range includes nutritionally complete dry dog and cat food, canned food and treats for dogs in a variety of flavours. Every recipe is hypoallergenic and free from wheat gluten, beef, soya, dairy products, artificial flavours, colours and preservatives. The dry range of dog foods includes varieties for all lifestages from a weaning puppy to a senior dog. In addition all sizes of dog are catered for with Arden Grange Mini for small dogs and Arden Grange Large Breed diets for large and giant dogs.

Arden Grange adds these two latest awards to their 2013 collection of trophies. Wendy Stephens, Arden Grange co-founder was honoured with a lifetime achievement award at the Pet Industry Awards in October 2013. In addition the company also received the 'Your Cat magazine – cat product of the year' Pet Industry award for their new chicken and potato adult cat food.
